

"WE ARE NOT GOING TO CHANGE OUR IDENTITY"

Although DIMDEX has evolved over the years to become an internationally renowned platform showcasing the latest integrated defence capabilities, the event will retain its focus on the maritime defence and security domain, says Staff Brigadier General Abdulhadi Alshamsi, Chairman of the Organising Committee of DIMDEX.

Dear Industry Professional,

Greetings!

We invite you to read **Day 2 of DIMDEX 2024 Show Daily**, a **GBP Aerospace & Defence** publication. Please click on the featured cover of the publication and flip through the e-Book. Inside, you will find all the major news from the show and interviews with top executives from the global defence community.

For our complete coverage of the ongoing show and the latest news from the world of aerospace and defence, please visit us online at www.gbp.com.sg.

As always, we remain thankful for the support that you have provided us with over the years.

Sincerely,

The Asian Defence Technology Team
